Peter Buczynsky
President
Micron PharmaWorks

Peter Buczynsky is president and co-founder of PharmaWorks, the leading manufacturer of pharmaceutical blister packaging equipment in the US. Along with his wife and 3 children, Peter has lived in the Tampa Bay area for over 35 years. An electrical engineer by trade graduating from Georgia Institute of Technology, Peter has successfully started multiple companies in the US and in Germany.

Peter is passionate regarding integrating industry and the educational system, and regularly hosts student tours from local high schools in order to increase local awareness and interest by showcasing the company's hi-tech environment, stressing the importance of ethics, integrity, and responsibility.

Serving as a technical advisory member for PHCC and industry partner with the River Ridge Engineering Academy, Peter is also involved with the Pasco Economic Growth Task Force through the PEDC and is a board member of the PEDC and Career Technical Educational Foundation as well.

Peter and his family are actively involved in local community and faith based organizations, Tampa Bay Christian Speech and Debate club, NCFCA, and Tampa Bay area home school educational co-op groups.
