

Stuart L. Rogel
*President &
Chief Executive Officer*
TAMPA BAY PARTNERSHIP

Stuart L. Rogel is the President & Chief Executive Officer of the Tampa Bay Partnership. Founded in 1994, the Tampa Bay Partnership is the regional economic development organization for the seven-county, 4,200-square-mile area of west central Florida which includes the metro areas of Tampa/ St. Petersburg/ Clearwater, Sarasota/Bradenton/Venice, and Lakeland, along with the counties of Hernando, Hillsborough, Manatee, Pasco, Pinellas, Polk, and Sarasota.

Before coming to the Tampa Bay Partnership in 1994, Mr. Rogel was the Regional Director for the Florida office of Charles River Properties, a full-service real estate development, management and investment company. Prior to that, Mr. Rogel served as Assistant City Manager and Economic and Community Development Director for the City of Miami Beach, where he was responsible for guiding that community through its dramatic and successful revitalization and redevelopment.

Mr. Rogel currently serves on the Board of Directors of Enterprise Florida, the state's of Florida's public-private partnership for economic development. He also serves nationally on the Urban Land Institute's Public-Private Partnership Council. He previously served as an advisory board member of ULI's Florida Initiative on Regional Cooperation. He is a graduate of Leadership Florida Class XXI, is Past Chair of the ULI's Tampa Bay District Council, Past President of the Florida Economic Development Council, and serves on the Board of Directors of the Tampa Bay Technology Forum and the Tampa Bay chapter of the National Association of Industrial and Office Properties.

Mr. Rogel received a Bachelor of Arts degree from Lake Forest College and Master of Urban and Regional Planning degree from George Washington University. He and his wife, Bevan, have one daughter, Alexandra.

*The Tampa Bay Partnership is the regional organization
that works with its partners to market the region
nationally and internationally, to conduct regional research
and to coordinate efforts to influence business and
government issues that impact growth and development.*
